

## **The Parish Plan**

Consultation on the draft Parish Plan runs out on 31 October. To date (26 October) only 8 surveys have been completed. While these have all been supportive, the number of replies is very disappointing and needs to be improved if we are to have any sort of mandate from the public for our proposals.

I therefore propose that:

1. We extend the consultation period to 31 January 2021;
2. We consider a leaflet drop to homes in the Parish (not holiday or second homes - distinguish using the Electoral Roll) commencing with something attention-grabbing e.g.

### **Do You Care About How We Spend Your Money?**

3. We advertise similarly in the January BVN.
4. We produce a "Parish Plan Lite", summarising key purposes and proposals from the draft, with a similarly abbreviated survey.
5. Email parishioners again in November and after Christmas, including any leaflet and summary documents as above.
