

To review and update Councillors roles and responsibilities

In view of the recent resignations we need to re-assign some of the roles and responsibilities. It would also be useful to improve our communication within the village and with other village organisations so I propose to have a Village Society Liaison and Volunteer Group Liaison.

We are currently need a:

**Volunteer Group Liaison
Reading Room Co-ordinator
BLAP representative
Village Society Liaison
DAPTC representative**

Now is also the time to make sure all councillors are happy with their current roles and responsibilities and to see if we need to make any changes.
